

New Covid Guidelines: We are in a season of preparing for possible gathering changes due to the resurgence of Covid. Gatherings may look a little different according to the needs of our leaders if Covid affects them or their teams. We ask that everyone remain flexible if and/or when this is the case. **If a gathering is going to be virtual, we will send an email by 8am on Sunday**, or earlier. We are also asking that those who have tested positive or develop symptoms not attend the gathering in person, but join online via Zoom. If you have been exposed, you can follow the guidelines from the CDC by using this [calculator](#) to determine what are your best precautions to take.
